

Guidelines for MOs who visit Membership Committee meetings:

Member-Owners are invited to attend Membership Committee meetings on the 2nd Friday of each month at 10AM via Zoom <https://zoom.us/j/92799245483>. Visitors are appreciated and welcome! We love to see new faces and hear new ideas and suggestions.

If you would like time to present any new business to the Membership Committee, please email the committee at least 7 days in advance of the meeting. We will add you to the agenda if there is room or add your item to the agenda for the following month.
